QUOTE REQUIREMENTS

Depending upon Firm group size, there are three levels of underwriting requirements in order to obtain a quote on your health insurance:

Firms with <50 employees

- Employee level health statements (these can be completed on line after receiving instructions from the ACEC LHT)
- Current and renewal plan rates
- Current plan summary

A non binding quote can be issued with an employee and dependent level census along with a copy of the current and renewal rates and corresponding plan summaries

Firms with 51> employees but <100

- Employer level health disclosure
- Three years of rate history along with corresponding benefit plan summaries
- Employee level census

Firms with >100 employees

- Employee Level Census
- 24 months of claims experience (premium vs claims report)
- Large claims report

I, the undersigned employer, wish to become a participating employer. I am acquainted with the rules of eligibility and understand that the effective date of the insurance for which I am applying shall be subject to the written approval of the ACEC Life/Health Trust. I understand that the benefits provided shall be subject to the terms of the group insurance policy(ies) as amended from time to time, and that those group insurance policies may be terminated by the ACEC Life/Health Trust following due notice. I agree to remit to the Administrator regularly, in advance, the required monthly premium contributions for insurance, and I understand that failure to pay billed premiums will result in automatic termination of insurance coverage at the end of the 31-day grace period. I agree to offer the insurance to all present and future employees who work for remuneration on a full-time basis. I also agree to maintain the participation requirements of the plan with respect to eligible employees and their eligible dependents in order to procure and continue the requested insurance and agree that any insurance issued as a result of this request may be cancelled as of any monthly premium due date if participation requirements are not maintained.
